## Progressive era study guide answers questions

Roosevelt was an advocate for "trust busting," or the breaking up of powerful monopolies that crushed competitors and controlled prices and wages. Children were employed in factoriesWages were low and unregulated (with no wage minimums)Factories were crammed and unsafeNo standards existed for food safetyNo safety net existed for citizens who couldn't find employmentHousing conditions were unregulatedThe environment was not protected by federal regulations The Progressive Movement refers to social and political movements that emerged in response to rapid industrialization from which caused societal ills. As cities and factories emerged and grew, quality of life declined for many American citizens. Before the events of the Progressive Era occurred (1890-1920), American society was much different. In 1906, Upton Sinclair publishes "The Jungle," which portrayed the deplorable conditions inside the meatpacking industry in Chicago. See our User Agreement and Privacy Policy. STUDY GUIDE FOR EXAM #2. Exam Time/Date: Thursday July 1 at 11:00 PM This study guide is FINALIZEDGood luck on the exam! Instructions for taking Exam #2: The exam is divided into two parts, one of which is to be completed on Moodle. The Multiple Choice section of the exam will consist of 20 questions from the text & power point lectures. The multiple choice can be accessed by choosing Multiple Choice Segment of Exam #2. Did the legislation of this era effect all people, or were certain populations most affected?How do you suppose the "trust busting" legislation affected business owners? Women's Suffrage gains steam when Carrie Chapman Catt becomes president of the National American Women's Suffrage Association. Theodore Roosevelt becomes president in 1901 after the death of McKinley. How have the powers of individual states changed? Photojournalist Jacob Riis exposes deplorable living conditions in the slums of New York in his book How the Other Half Lives: Studies Among the Tenements of New York. Conservation of natural resources becomes a matter of public concern, as the Sierra Club was founded in 1892 by John Muir. President Woodrow Wilson signs the Keating-Owens Act in 1916, which made it illegal to ship goods across state lines if they were produced by child labor. Were the changes that took place during this time period actually progressive? This led to the establishment of food and drug regulations. How were people better off or worse off during the shift from country living to city living?Who were the major figures in the Women's Suffrage movement? The American Socialist Party was established in 1901. Coal miners strike in Pennsylvania in 1902 to protest their terrible working conditions. United States involvement in World War One had a major impact on the country. Briefly trace the events that led the United States to become involved in the war. How did the war impact the government, society, and the economy of the United States? Overall, were the changes that took place positive or negative? Explain. See our Privacy Policy and User Agreement for details. How are these topics related?Writers and photojournalists were key figures in Progressive Era reforms. Consider exploring the events of the Progressive Era from the point of view of wealthy industrialists.How did living conditions change for people who moved from the country to the cities during this time period? How was life impacted for these women who came forward?Explore and compare life in a mill village and life in a coal camp.Why did the concern for environmental issues and natural resource preservation emerge at the same time as concern and awareness for social issues like poverty? SlideShare uses cookies to improve functionality and performance, and to provide you with relevant advertising. How does this reflect the sentiments of this period?There were many setbacks to the Progressive Era movements and campaigns. Who and what created these setbacks, and what were the interests of the parties involved?Prohibition, the constitutional ban on the production and transportation of alcoholic beverages, also took place during the Progressive Era. If you are researching this era for a project or research paper, you should begin by thinking about the way things were before government and society changed in America. The second section of the exam is essay. You may chose any two questions below and answer them. The answers must be sent to me as an e-mail attachment. I MUST receive the e-mail by 11:00 PM on the date it which it is due. As soon as I receive your e-mail with the essays, I will reply and let you know I've received it. If you haven't received an e-mail reply, that probably means I didn't receive the message. Please don't wait until the last minute to take the exam; try to leave yourself time in case of some sort of a problem. A handful of students have experienced some technical problems sending their essays. I would like to suggest that you send a carbon copy (cc:) of your essays to yourself when you send them to me. That way you will have a receipt with a time/date you sent your essays and let you know if the transmission worked. I would hold onto that "receipt" until you reply back from me letting you know I received your essay with no problems. What does the term progressive mean in the current political climate?The Seventeenth Amendment, which allowed for the direct election of US Senators, was ratified in 1913 during the period known as the Progressive Era. Pershing Fourteen Points Herbert Hoover Harlem Renaissance Sacco/Vanzetti Case National Labor Relations Act Supreme Court Packing Plan Section 3: ESSAY Possible essay questions for the second mid-term exam: You may choose any two of the four questions below to answer. It's your choice. Most of the employees were young women aged sixteen to twenty-three, and many on the ninth floor perished because exits and fire escapes were locked and blocked by the company officials. Describe & evaluate the contributions of the Progressive Movement. What was this movement? Who were some leaders at the state & national level? What were their accomplishments? Overall, what do you believe to be the single most important result of this movement for the nation? Explain. If you continue browsing the site, you agree to the use of cookies on this website. Write an essay that describes and evaluates the New Deal and its impact on United States history. Describe the major pieces of legislation that were part of the New Deal. How did challengers impact Roosevelt's ideas? Overall, do you believe the New Deal and its legacy had a positive or negative impact on the history of the United States? Explain. Taft Woodrow Wilson 16th Amendment 17th Amendment 19th Amendment WWI (1914/17-18) Battlefront Origins Woodrow Wilson (1913-21) Lusitania Zimmerman Telegram US & War At Home Big Government Selective Service Act William McAdo Committee For Public Information Economy Society Race Relations & Women Patriotism Anti-German Hysteria KEY TERMS 1920s Depression/New Deal (1929-40) Roaring Business Fun & Heroes Women Politics "Other" Side Farmers Nativism Great Depression General Conditions Statistics & Stocks Dust Bowl Reactions New Deal FDR: "The Man" Recovery Emergency Bank Act AAA TVA Relief Challengers Francis Townsend Huey Long Reform Legacy Section 2: Textbook The terms below were not covered in lecture, but they are covered in the text and may appear on the exam. SlideShare uses cookies to improve functionality and performance, and to provide you with relevant advertising. Many people worked to change the unjust conditions that existed as a result of the industrial growth that took place during the late 19th century. In 1886, the American Federation of Labor is founded by Samuel Gompers. If you're behind a web filter, please make sure that the domains \*.kastatic.org and \*.kasanbox.org are unblocked. The federal government had less of an impact on the lives of the citizen than we know today. For example, there are laws that regulate the quality of food that is sold to American citizens, the wage that is paid to workers, and the work conditions that are endured by American workers. Du Bois Industrial Workers of the World Gifford Pinchot Panama Canal Eugene Debs Roosevelt Corollary John J. It can be difficult for students to understand the relevance of the period we call The Progressive Era because society before this period was very different from the society and the conditions we know today. Booker T. LecturePoint Lectures Which Are Part Of This Exam Lecture05-Progressive Movement (1890s-1917) Lecture06-World War One (1914/17-1918) Lecture07-The 1920s Lecture08-Depression & New Deal (1929-1940) Section 1. KEY TERMS Progressive Era (1900-1917) World War One (1914/17-18) Background Three "Wings" Journalists Muckrakers Upton Sinclair State Level Jane Addams Robert LaFollette Hull House & Wisconsin Idea National Level-President Theodore Roosevelt (1901-09) United Mine Workers Northern Securities CaseThe Jungle (Upton Sinclair) Pure Food and Drug Act (1906) Others & Amendments William H. We often assume that certain things have always been around, like laws about child labor and fire safety standards. How was this different from the work of children who lived on farms?How did views on immigration and race change during the Progressive Era? This was one of many unions that emerged toward the end of the nineteenth century in response to unfair labor practices like long hours, child labor, and dangerous working conditions. In 1911, a fire broke out at the Triangle Shirtwaist Company, which occupied the eighth, ninth, and tenth floors of a building in New York. How and why was alcohol the subject of concern during this period? What about the power of the individual?How would you compare the changes in society during the Progressive Era to changes in society during and after the Civil War?What is meant by the term progressive? What was the impact of Prohibition, good and bad, on society?What was the role of the Supreme Court during the Progressive Era? Prohibition and Progressive Reform The Fight for Women's Suffrage Muckrakers If you're seeing this message, it means we're having trouble loading external resources on our website. These early progressives thought that education and government intervention could ease poverty and social injustice. Before the Progressive Era food, living conditions, and employment was different. In 1920, Congress passed the 19th Amendment, which gave women the right to vote. The company was acquitted of any wrongdoing, but the outrage and sympathy from this event prompted legislation concerning unsafe working conditions. Washington W.E.B. A journalist recently made this comment: "The decade of the 1920s was a "roaring" time for all in the nation. Every segments of American society was characterized by tremendous economic prosperity as the nation left World War One behind. There was tremendous unity among the American people as the great American "melting pot" was celebrated by all. Politicians were also seen as heroes by the American people in this decade of "heroes" nationally." Write an essay which describes life in the United States during this decade. Overall, do you agree or disagree with the arguments put forth by this journalist? Why/why not? What was life like for children who worked in factories? How does their role compare to changes that have taken place due to the emergence of social media?How has the power of the federal government changed since the Progressive Era?
